Environmental Protection, Romania

Thessaloniki, 29/10/2012

Dear Dr. Deak,

With great happiness I accept your honorific invitation to become member of the Scientific Council of the National Institute for Research and Development in Environmental Protection.

I agree one hundred per cent with you, that with such international collaborations we may have the most productive and progressive results for our countries and for our region. With these thoughts, I want to ensure you that BENA and me, from any position, as member or as a leader of your Scientific Council we will play, as always do, the role of the international scientific partner to your Institute with the deepest feelings that we pragmatic contribute to the environmental protection.

Kind regards,

Prof. Dr. F.K. Vosniakos

President of B.EN.A.
